Old Hurst Johnnians Cricket Week Centenary Year

To celebrate their cricket week centenary, The OHJs held a dinner in the Long Room at Lord's in February. The Hunts are enormously grateful to Jeremy Rawlins for starting our fixture with the OHJ's in their cricket week. This fixture has been played continuously since 1991 with Jeremy our match manager for the first 25 years and Omkar Khot since. For the OHJ dinner Omkar organized a Hunts table.

2020 Season

Our first fixture is a club match between David Rickett's XI and Sanjay Thapan's XI due to be played at The Cathedral School, Llandaff on Sunday 31st May. However, it is uncertain as to whether this fixture will be played and when our season will begin. Following the recent Governments guidelines on social distancing as a result of the spread of coronavirus, all forms of recreational cricket have been suspended until further notice. The Club will keep members updated.

Website

The Club's website (swhunts.org.uk) is up and running albeit in a development phase. Please have a look and send any feedback to Simon Williams (si_williams@mac.com). The intention is to further develop the site in time with a historical archive and more complete Hunts history. You will hopefully note the yellow banner asking members to log in. This is to place reasonable protection around Match Managers' contact details. The password is **hunts20!** (non-members are able to access a basic fixture list). Please do not share the password with non-members of the club for GDPR and privacy reasons.

Members Contact Details

This Newsletter and this year's Fixture Card will only be sent out by email but unfortunately, the Club does not have an email address for all its members. For any changes to your details please contact the Hon Secretary on: wngtaylor@btinternet.com

History of The Hunts

The Club is indebted to Lawrie Williams who has produced and co-written the Club's history from 1926 to the 1970's. Lawrie and Charles Williams' father, Tip, wrote the first part, up to 1960 and Bill Clay, Griffy Philipps and Charles Williams have also contributed to the period up to 1970's.

There are only 5 more seasons after the 2020 season before the Club celebrates its centenary and the Hon Secretary would be delighted to hear from you if you have any anecdotes of Hunts cricket. The Committee are currently writing the history of the Club from the 1980's to the present day.
